Dear Participant,

- 2.0 There is no denying that in any training course, the attitude of the participants along with their mental readiness for taking training loads is a critical importance to steer the course towards a successful completion. Therefore, I would request you to prepare yourself mentally to take this course in an affirmative fashion leaving aside all other official and familial obligations to acquire pragmatic knowledge and skills, which in turn, we believe, would enable you to be a more effective service provider to your valued clients.
- 3.0 Since the course is a residential and intensive one, you need to prepare yourself physically and mentally to stay in BPATC dormitory and devote your full time to multifarious training activities and sharing of experiences.
